Dear Parent:

The Selinsgrove Field Hockey Association has its own website, <http://www.sealsfieldhockey.com/> . The website was created to promote field hockey at Selinsgrove and to provide helpful information and entertainment for players and parents. To best support your family's privacy rights, the following will be adhered to (with your permission) for the next four years but will not be extended beyond your daughter's high school career.

- Your daughter's full name will be listed on the roster at the website.
- We will have action shots and video at www.sealsfieldhockey.com. Your daughter's name will not be part of any captions associated with these images.
- For honors resulting from outside entities (e.g., newspapers, coaches associations), your daughter's full name may be included with the images.
